

Hidden Figures Film Permission Slip

Dear Class 5-409 Families,

Our class will be taking a field trip to the Alamo Drafthouse movie theater to see **Hidden Figures**, on **Wednesday, Jan. 18th at 11:40am**. This film highlights the historically overlooked accomplishments of a female team of African-American mathematicians whose calculations enabled NASA's moon race; while enduring racism and sexism.

We're excited that this film ties in with our social studies unit and celebrates I.A. Principal Jackie's great aunt, Catherine G. Johnson.

The **cost** of this trip is **\$12**. We purchased extra tickets for **two** interested chaperones.
